

HERE'S A FEW WADING BIRDS FROM THE WETLANDS!

You can find the full list of Irish waders on www.breedingwaders.ie

GOLDEN PLOVER

Feadóg Bhuí
My golden spots help me
hide in the grass.

CURLEW

Crotach
I use my long beak to poke
in the mud and find tasty
worms hiding deep down.

SNiPE

Naoscach
I use my tail feathers to make
a drumming sound!

LAPWiNG

Pilibín
When I fly I twist and
tumble and make funny
“pee-wit!” sounds.

Scan the QR Code to
hear the calls of our
wading friends of the
wetland!
